Bangladeshi Nationals living illegally in NCR

1720. SHRI VARINDER SINGH BAJWA: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the number of persons of Bangladeshi origin illegally residing in Delhi and the neighbouring areas of National Capital Region detected during 2006, area-wise;

(b) the number of such persons detected and deported during the last three years ending 31st December, 2006, year-wise; and

(c) what, according to the sources of the administration of respective States, is the number of such illegally residing persons in their respective areas and what steps are proposed to detect and deport them?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SHRIPRAKASH JAISWAL): (a) and (b) As per available information, the number of illegally residing Bangladeshi nationals detected and deported from Delhi during the last three years is as under:

Year	Number
2004	6002
2005	5725
2006	4824

No information has been received from the Governments of Haryana, Uttar Pradesh and Rajasthan in respect of the areas of those States falling in the National Capital Region (NCR).

(c) According to available reports, Bangladeshi nationals have been using porous Indo-Bangladesh border to enter into India illegally. It is difficult to make a realistic estimate about the number of such illegal Bangladeshi immigrants because they enter surreptitiously and are able to mingle easily with the local population due to ethnic and linguistic similarities. The State Governments/UT Administrations have been empowered under section 3 (2) (c) of the Foreigners Act, 1946 to detect and deport foreign nationals illegally staying in India. Administrative instructions are issued from time to time requesting the State Governments/UT Administrations to detect and deport illegal Bangladeshi migrants staying in the country.
